Examiner:

For the above identified application, this is a renewed petition to revive an unintentionally abandoned application under 37 CFR 1.137(b). A petition to revive an unintentionally abandoned application under 37 CFR 1.137(b) was filed March 15, 2010. This petition was dismissed because the application issue and publication fees were not paid as part of the response as required in 37 CFR 1.137(b). As part of this renewed petition response, the applicant has provided herewith both the issue and publication fee that was the required reply to the application abandonment.

Additionally, as part of the March 15, 2010 petition to revive an unintentionally abandoned application, the applicant filed a Request for Continued Examination and an Information Disclosure Statement. The applicant believes that these papers will be considered with the filing of this renewed request and the payment of the issue and publication fees.

The applicant hereby authorizes the Patent Office to charge any deficiencies or credit any overpayments associated with this filing to Deposit Account No. 50-4262.

Please direct any inquiry regarding this matter to the below signed agent.

Respectfully Submitted,
